FORT WILLIAM, FOREIGN DEPARTMENT.

THE 18TH JUNE 1857.

No. 139.

ARMISTICE intelligence having been received that the Ratifications of the Treaty, which was signed at Paris by the Plenipotentiaries of England and Persia on the 4th March last, were exchanged at Baghdad on the 2nd of May, the Right Honble the Governor General in Council is pleased to direct that a Royal Salute shall be fired from the Ramparts of Fort William, as well as at every principal Station of the Army, in honor of the Peace which has been concluded.

No. 140.

THE Right Honorable the Governor General in Council has had the satisfaction of announcing, from time to time, the signal successes which have been achieved by the combined action of the Military and Naval Forces, under the direction of Lieutenant General Sir James Outram, K. C. B., on the Coasts and in the Interior of Persia.

The surrender of Bushire on the 10th December, after a brief and ineffectual opposition; the operations against the Persian entrenched Camp at Borazgoon; and the complete victory obtained over the Persian Army at Khooshab on the 8th February; the bombardment and capture of Mohamreh on the 26th March; and the brilliant attack, by a few hundred men, against Abwaz, on the 1st April, followed by the precipitate flight of the whole Persian Army serving in that quarter, have signally instanced the vigor, the enterprising spirit, and the intrepidity with which the operations against Persia, both by sea and land, have been directed, and have earned for those who had a share in their execution the cordial approbation and the thanks of the Government of India.

The Governor General in Council has now the gratification of announcing that the Ratifications of the Treaty, which was signed at Paris by the

Plenipotentiaries of England and Persia on the 4th March last, were exchanged at Baghdad on the 2nd May; and the entire withdrawal of the British Forces from the soil and the waters of Persia awaits only the fulfilment of the conditions of Peace, which were accepted by the Plenipotentiary of Persia on her behalf.

The Peace which has been thus concluded accomplishes the principal objects of the War without needless humiliation to Persia, and places the relations of the British Government with that Country, both Political and Commercial, on an improved footing. Though the negotiations, by which this result has been obtained, were conducted in Europe, their rapid and unchecked progress, and their early completion must be ascribed, in no small degree, to the vigorous operations and the successful achievements of the Persian Expeditionary Force.

The brilliant reputation of Lieutenant-General Sir James Outram, K. C. B., has acquired additional lustre from the promptitude, the vigorous energy and ability with which he has exercised the Command entrusted to him; and the Governor General in Council desires to record his high sense of the important services rendered by this distinguished Officer.

The Governor General in Council deeply laments that Major General Stalker, C. B., should not have lived to witness the successful completion of the War, in the commencement of which he took so prominent and conspicuous a part.

His Lordship in Council cordially appreciates the zealous and active exertions of Brigadier General Havelock, C. B., and commends the order and despatch with which the Troops were landed and formed at Mohamreh under his direction.

To Brigadier Humer, who shared with his Brigade in the attack on Bushire, and in the opera-

tions against Borazgoon; to Brigadier Wilson, K. C. B., who commanded the 1st Brigade of Infantry at Borazgoon and Mohamreh; to Brigadiers Hamilton and Hale, who were present with their Brigades in the advance upon Mohamreh; and to Brigadier Stewart, who was at the head of the Cavalry 2nd Division on the same occasion; to Lieutenant Colonel Shopheard, who succeeded to the Command of the 1st Infantry Brigade on the lamented death of Brigadier Stopford; to Colonel Stisted, who led the 1st Brigade 2nd Division in the march on Borazgoon and the victory of Khooshah; to Lieutenant Colonel Tapp, who commanded the Cavalry Brigade on the same occasion as well as at Bushire; and to Lieutenant-Colonel Trevelyan, Commanding Artillery, who took a part in every operation of the Troops, except that against Ahwaz;—to all these, whose valuable services have been gratefully acknowledged by the late Major General Stalker, K. C. B., and Lieutenant General Sir James Outram, K. C. B., the Governor General in Council begs to offer his warmest thanks and the assurance of his heartfelt approbation.

The late Major General Stalker, and Lieutenant General Sir James Outram, K. C. B., have expressed their obligations to the Officers Commanding Regiments and Batteries of Artillery on the several occasions, which called for their exertions, and the Governor General in Council has great satisfaction in publicly tendering his best thanks to Major Sterling, of H. M.'s 64th Foot; to Major McIntyre, who took Command of H. M.'s 78th Highlanders during the Expedition to Borazgoon; to Lieutenant Colonel J. S. Ramsay, of the 2nd Bombay European Light Infantry; to Major Manson, of the 4th Bombay Rifles; to Lieutenant-Colonel Shepheard, and Captain Macleod of the 20th; Major Travers, of the 23rd and Colonel Mearns and Captain Bowditch, of the 26th Bombay Native Infantry; to Captain L. Stephen Hough, of the 2nd Belooch Battalion; to Major Blake, Captain Hatch, Captain Cibbard, and Captain Aitkin, Commanding,—the first, a Troop of Horse Artillery, and the others, Light Field Batteries; to Captain Dickinson, of the Sappers and Miners; and to Captain Forbes, of the 3rd Bombay Light Cavalry, whose gallantry on the field of Khooshah was conspicuous.

The Governor General in Council cordially unites with the late Major General and the Lieutenant General Commanding the Expeditionary Force in expressing his marked acknowledgments of the ever-ready and efficient assistance afforded by Colonel Loggard, K. C. B., H. M.'s 29th Foot, the Chief of the Staff, and the several Officers composing the General Staff.* To Captain Malcolm Green, Military Secretary, Lieutenant Sykes, and Captain Harvey, A. D. C.,

Captain Arthur, Persian Interpreter, and Major Taylor, transferred from the Persian Mission in the capacity of Political Secretary, as well as to Lieutenant Colonel Lord Dunkeld, detached from the Staff of the Governor General, who volunteered his aid on the Personal Staff of Lieutenant-General Sir James Outram, K. C. B.; to Captain Hunter, who served as A. D. C. to the late Major General Stalker on the attack on Bushire; and to Mr. Johnstone, of the Indian Navy, to whose knowledge of the country and unwearied zeal the late Major General was much indebted, the Governor General in Council begs to offer the expression of his approbation.

The valuable assistance afforded on every occasion of difficulty and danger, and especially in the brilliant Expedition against Ahwaz, by Captain Kemball, Political Agent in Turkish Arabia and Consul General at Baghdad, has been highly commended by Lieutenant General Sir James Outram, K. C. B., and merits the unqualified approbation and the hearty thanks of the Governor

General in Council, no less than does the gallantry of Captain Hunt, H. M.'s 78th Highlanders, and

of the other Military* Officers who accompanied the Expedition in question.

The Indian Navy has taken a conspicuous part in the operations which have now been brought to a termination, and the Governor General in Council must not omit to put on record the high sense which he entertains of its most valuable and important services.

To Rear Admiral Sir H. Leake, K. C. B., Royal Navy, the Governor General in Council begs again to offer his sincere acknowledgments for the promptitude and energy with which he gave his assistance in landing the Troops at Hallila Bay, and in attacking the fortifications of Bushire. To Captain Griffith Jenkins, Captain of the Fleet; to Acting Commander Adams, of the "Assaye"; and Lieutenant Clarkson, of the same Vessel; to Captain Young, Commanders Rennie and Macdonald, and Acting Commander Foulerton much praise is due for their gallantry on the same occasion.

The Governor General in Council, however, desires specially to record his admiration both of the skill and energy displayed by Acting Commodore Young, I. N., (upon whom the Command of the Gulf Squadron devolved on the lamented death of Commodore Ethersey) in the conduct of the difficult Naval operations against Mohamreh, and of the signal success with which they were crowned.

The Governor General in Council has further remarked, with the highest gratification, the distinguished conduct of Commander J. Rennie, who, since the departure of Captain Young, has most efficiently commanded the Naval Forces in the Persian Gulf. In the enterprising advance upon Ahwaz, the signal success obtained was due, in a very large measure, to the judgment and resolute gallantry of this able Officer.

The acknowledgments of the Government are also due to Commander Selby, of the "Semiramis"; Commander Orieve, of the "Clive"; Acting Commanders Manners, of the "Victoria"; and to Lieutenants Commanding Tronson, of the "Falkland"; and Worsley, of the "Ajdaha", who contributed large-

Acting Commodore Young has commended the conduct of Lieutenant Chitty, Commanding the "Berenice"; of Commander Nesbitt, Agent for Transports; and of Acting Masters-Commanding McLaurin, of the "Napier"; Holland, of the "Comet"; Fletcher, of the "Planet"; Neale, of the "Assyria"; Davies of the "Ethersey" flat; and Mr. Park of the "Hugh Lindsay," for the affective aid which they respectively rendered in the attack on Mohamreh; and the Governor General in Council has great pleasure in acknowledging their good services.

Finally, the Governor General in Council wishes to offer his hearty thanks to all the Officers and Non-Commissioned Officers, of whatever designation, and to all the Soldiers and Sailors of the Force, for the bravery, the endurance and good conduct which they have displayed during the several operations in which they have been engaged.

It will afford the highest gratification to the Governor General in Council to recommend the arduous and successful services of the Military and Naval Forces on the Coast, and in the Interior of Persia, to the most favorable consideration of the Hon'ble Court of Directors and Her Majesty's Government.

No. 812 of 1857.—The following Notifications, from the Foreign Department, are published in General Orders:—

No. 139.

Authentic intelligence having been received that the Ratifications of the Treaty, which was signed at Paris by the Plenipotentiaries of England and Persia on the 4th March last, were exchanged at Bagdad on the 2nd of May, the Right Honble the Governor General in Council is pleased to direct that a Royal Salute shall be fired from the Ramparts of Fort William, as well as at every principal Station of the Army, in honor of the Peace which has been concluded.

No. 140.

The Right Honorable the Governor General in Council has had the satisfaction of announcing, from time to time, the signal successes which have been achieved by the combined action of the Military and Naval Forces, under the direction of Lieutenant General Sir James Outram, K. C. B., on the Coasts and in the Interior of Persia.

The surrender of Bushire on the 10th December, after a brief and ineffectual opposition; the operations against the Persian entrenched Camps at Borazgoon; and the complete victory obtained over the Persian Army at Khooshab on the 8th February; the bombardment and capture of Mohamreh on the 26th March; and the brilliant attack, by a few hundred men, against Ahwaz, on the 1st April, followed by the precipitate flight of the whole

Persian Army serving in that quarter, have signally instanced the vigor, the enterprising spirit, and the intrepidity with which the operations against Persia, both by sea and land, have been directed, and have earned for those who had a share in their execution the cordial approbation and the thanks of the Government of India.

The Governor General in Council has now the gratification of announcing that the Ratifications of the Treaty, which was signed at Paris by the Plenipotentiaries of England and Persia on the 4th March last, were exchanged at Baghdad on the 2nd May; and the entire withdrawal of the British Forces from the soil and the waters of Persia awaits only the fulfilment of the conditions of Peace, which were accepted by the Plenipotentiary of Persia on her behalf.

The Peace which has been thus concluded accomplishes the principal objects of the War without needless humiliation to Persia, and places the relations of the British Government with that Country, both Political and Commercial, on an improved footing. Though the negotiations, by which this result has been obtained, were conducted in Europe, their rapid and unchecked progress, and their early completion must be ascribed, in no small degree, to the vigorous operations and the successful achievements of the Persian Expeditionary Force.

The brilliant reputation of Lieutenant-General Sir James Outram, K. C. B., has acquired additional lustre from the promptitude, the vigorous energy and ability with which he has exercised the Command entrusted to him; and the Governor General in Council desires to record his high sense of the important services rendered by this distinguished Officer.

The Governor General in Council deeply laments that Major General Stalker, C. B., should not have lived to witness the successful completion of the War, in the commencement of which he took so prominent and conspicuous a part.

His Lordship in Council cordially appreciates the zealous and active exertions of Brigadier General Havelock, C. B., and commends the order and despatch with which the Troops were landed and formed at Mohamreh under his direction.

To Brigadier Homer, who shared with his Brigade in the attack on Bushire, and in the operations against Borazgoon; to Brigadier Wilson, K. B., who commanded the 1st Brigade of Infantry at Borazgoon and Mohamreh; to Brigadiers Hamilton and Hale, who were present with their Brigades in the advance upon Mohamreh; and to Brigadier Stewart, who was at the head of the Cavalry 2nd Division on the same occasion; to Lieutenant Colonel Shephard, who succeeded to the Command of the 1st Infantry Brigade on the lamented death of Brigadier Stopford; to Colonel Stisted, who led the 1st Brigade 2nd Division in the march on Borazgoon and the victory of Khooshab; to Lieutenant Colonel Tapp, who commanded the Cavalry Brigade on the same occasion as well as at Bushire; and to Lieutenant Colonel Trevelyan, Commanding Artillery, who took a part in every operation of the Troops, except that against Ahwaz;—to all these, whose valuable services have been gratefully acknowledged by the late Major General Stalker, C. B., and Lieutenant General Sir James Outram, K. C. B., the Governor General in Council begs to

offer his warmest thanks and the assurance of his heartfelt approbation.

The late Major General Stalker, and Lieutenant General Sir James Outram, K. C. B., have expressed their obligations to the Officers Commanding Regiments and Batteries of Artillery on the several occasions, which called for their exertions, and the Governor General in Council has great satisfaction in publicly tendering his best thanks to Major Sterling, of H. M.'s 64th Foot; to Major McIntyre, who took Command of H. M.'s 78th Highlanders during the Expedition to Borazgoon; to Lieutenant Colonel J. S. Ramsay, of the 2nd Bombay European Light Infantry; to Major Manson, of the 4th Bombay Rifles; to Lieutenant Colonel Shephard, and Captain Macleod of the 20th; Major Travers, of the 23rd and Colonel Macan and Captain Bowditch, of the 26th Bombay Native Infantry; to Captain L. Stephen Hough, of the 2nd Belooch Battalion; to Major Blake, Captain Hatch, Captain Gibbard, and Captain Aitkin, Commanding—the first, a Troop of Horse Artillery, and the others, Light Field Batteries; to Captain Dickinson, of the Sappers and Miners; and to Captain Forbes, of the 3rd Bombay Light Cavalry, whose gallantry on the field of Khooshab was conspicuous.

The Governor General in Council cordially

* Lieutenant Colonel Younghusband, Deputy Adjutant General.
 Captain Wray, Deputy Quarter Master General.
 Major Boyd, Deputy Judge Advocate General.
 Major Barr, Pay Master.
 Lieutenant Colonel Pope, Deputy Commissary General, and
 Captain Dunsterville, Assistant ditto.
 Captain Higby, Superintendent of Bazaar.
 Captain Finlaymore, Commissary of Ordnance.
 Lieutenant Ballard, C. B., Superintendent, Intelligence Department.
 Major Hill, Commanding Engineer.
 Major Curtis, Director, Land Transport Corps.
 Captain Collier, Deputy Assistant Adjutant General.
 Captain Showell, } Deputy Assistant Quar-
 Lieutenant Holland, } ter Master General.
 Lieutenant Willoughby, Sub-Assistant Commissary General.

unites with the late Major General and the Lieutenant General Commanding the Expeditionary Force in expressing his marked acknowledgments of the over-ready and efficient assistance afforded by Colonel Lugard, C. B., H. M.'s 29th Foot, the Chief of the Staff, and the several Officers composing the General Staff. To Captain Malcolm Green, Military Secretary, Lieutenant Sykes, and Captain Hervey, A. D. C., Captain Arthur, Persian Interpreter, and Major Taylor, transferred from the Persian Mission in the capacity of Political Secretary, as well as to Lieutenant Colonel Lord Dunkellin, detached from the Staff of the Governor General, who volunteered his aid on the Personal Staff of Lieutenant General Sir James Outram, K. C. B.; to Captain Hunter, who served as A. D. C. to the late Major General Stalker on the attack on Bushire; and to Mr. Johnstone, of the Indian Navy, to whose knowledge of the country and unwearied zeal the late Major General was much indebted, the Governor General in Council begs to offer the expression of his approbation.

The valuable assistance afforded on every occasion of difficulty and danger, and especially in the brilliant Expedition against Ahwaz, by Captain Kemball, Political Agent in Turkish Arabia and Consul General at Baghdad, has been highly commended by Lieutenant General Sir James Outram, K. C. B., and merits the unqualified

approbation and the hearty thanks of the Governor

* Captain Wray, Deputy Quarter Master General.
Captain Green, Military Secretary.
Lieutenant Bulger, Commissariat Department.

General in Council, no less than does the gallantry of Captain Hunt, H. M.'s 78th Highlanders, and

of the other Military* Officers who accompanied the Expedition in question.

The Indian Navy has taken a conspicuous part in the operations which have now been brought to a termination, and the Governor General in Council must not omit to put on record the high sense which he entertains of its most valuable and important services.

To Rear Admiral Sir H. Leake, K. R., Royal Navy, the Governor General in Council begs again to offer his sincere acknowledgments for the promptitude and energy with which he gave his assistance in landing the Troops at Hallida Bay, and in attacking the fortifications of Bushire. To Captain Griffith Jenkins, Captain of the Fleet; to Acting Commander Adams, of the "Assaye"; and Lieutenant Clarkson, of the same Vessel; to Captain Young, Commanders Rennie and Macdonald, and Acting Commander Foulerton much praise is due for their gallantry on the same occasion.

The Governor General in Council, however, desires specially to record his admiration both of the skill and energy displayed by Acting Commodore Young, I. N., (upon whom the Command of the Gulf Squadron devolved on the lamented death of Commodore Ethersey) in the conduct of the difficult Naval operations against Mohamreh, and of the signal success with which they were crowned.

The Governor General in Council has further remarked, with the highest gratification, the distinguished conduct of Commander J. Rennie, who, since the departure of Captain Young, has most efficiently commanded the Naval Forces in the Persian Gulf. In the enterprising advance upon Ahwaz, the signal success obtained was due, in a very large measure, to the judgment and resolute gallantry of this able Officer.

The acknowledgments of the Government are also due to Commander Selby, of the "Semiramis"; Commander Grieve, of the "Clive"; Acting Commander Mannors, of the "Victoria"; and to Lieutenants Commanding Tronson, of the "Falkland"; and Worsley, of the "Ajdaha", who contributed largely to the success of the day; and the special thanks of the Government are claimed for Commander Adams, for the efficient manner in which he seconded the attack on the Northern Ports at Mohamreh.

Acting Commodore Young has commended the conduct of Lieutenant Clitty, Commanding the "Berenice"; of Commander Nesbitt, Agent for Transports; and of Acting Masters Commanding McLaurin, of the "Napier"; Halland, of the "Comet"; Fletcher, of the "Planet"; Neale, of the "Assyria"; Davies of the "Ethersey" flat; and Mr. Dark of the "Hugh Lindsay," for the effective aid which they respectively rendered in the attack on Mohamreh; and the Governor General in Council has great pleasure in acknowledging their good services.

Finally, the Governor General in Council wishes to offer his hearty thanks to all the Officers and Non-Commissioned Officers, of whatever designation, and to all the Soldiers and Sailors of the

Force, for the bravery, the endurance and good conduct which they have displayed during the several operations in which they have been engaged.

It will afford the highest gratification to the Governor General in Council to recommend the arduous and successful services of the Military and Naval Forces on the Coasts, and in the Interior of Persia, to the most favorable consideration of the Hon'ble Court of Directors and Her Majesty's Government.

G. F. EDMONSTONE,

Secy. to the Govt. of India.

No. 819 of 1857.—The Right Hon'ble the Governor General of India in Council is pleased, under instructions from the Hon'ble the Court of Directors, to promulgate the following Rules to be observed at the three Presidencies, for the transfer to the Invalid Establishment of Officers who may be declared to be unfit for further service:—

1. The Invalid Establishment will consist of

1st.—*The Invalid Battalion.*

For Officers who, although disqualified for further active service, are still equal to the discharge of garrison duties.

2nd.—*The Invalid Pension List.*

For Officers disqualified for both active and garrison duties.

2. Officers who, from age, wounds, or decline of health, become unfit for active service, are eligible for transfer to the Invalid Establishment, provided their conduct and habits are such as not to affect the character of that Institution, which is designed as an honorable retreat to the worn-out or disabled, but deserving Officer.

3. Officers who may be desirous of being transferred to the Invalid Establishment, will be required to appear before the Standing Medical Committee at the Head Quarters of the Division, presided over by the Superintending Surgeon, or in his absence by the Senior Surgeon, furnished with a Statement of their case prepared by the Medical Officer by whom they may have been attended. The Committee is to enquire rigidly into each case, and should it be satisfied of the unsuitness of the Officer, it is, in recording its opinion, to certify either that the applicant is "permanently disqualified for the performance of further active service but is still equal to the discharge of garrison duties," or that he is "permanently disqualified for the performance of both active and garrison duties," as the case may be.

4. The applicant, if reported equal to the discharge of garrison duties, will then be required to proceed to the Presidency to be finally examined by a Medical Officer to be specially appointed for the purpose or by a special Medical Committee, as may from time to time be ordered.

5. After this final examination, the Report on

after specified, is to be forwarded in the usual manner to Army Head Quarters, to be submitted to Government with the opinion of the Commander-in-Chief.

6. In the event of the Commander-in-Chief being led to believe that any Officer's health is so thoroughly lost as to preclude all hope of his being able to perform further active service in India, such Officer shall be directed to appear before the Standing Medical Committee at the Head Quarters of the Division. If the Committee is of opinion that the Officer is permanently disqualified for active Military duties in India, and this opinion is confirmed at the final examination at the Presidency, the Government, on receiving a Report on the case, which is to be prepared and submitted as directed in paras 3 to 5, will place the Officer on the Invalid Establishment, notwithstanding that he may not himself have applied to be transferred from the Effective List. Such transfer will, however, be subject to the approval of the Hon'ble the Court of Directors; and until the receipt of such approval, no promotions will be made in succession to the Officer so placed on the Invalid Establishment.

7. All Officers of and below the Regimental rank of Lieutenant-Colonel, whether they may or may not have served the prescribed period for retirement on full pay, may be compulsorily removed to the Invalid Pension List when they may become wholly unfit for any further service, effective and garrison. The examination of Officers in such cases will be conducted in the manner laid down in para 6.

8. In the event of an Officer failing, from any cause, whether it be leave on Sick Certificate in India or otherwise, to join an Invalid Battalion, or other Military duty on which he may be ordered, within two years of his transfer to the Invalid Establishment, except he be absent on Furlough on sick leave to Europe, or be nominated to some other public duty, he will, at the expiration of that time, be required to appear before the Medical Committee at the Head Quarters of the Division in which he may be residing, for the purpose of being examined as to his continued fitness for garrison duty. If found unfit at such examination, or at any subsequent examination, which is to be repeated at the end of every two years, he will be transferred to the Invalid Pension List.

9. The Pay and Allowances of Officers hereafter transferred to the Invalid Battalion will be—

	Pay and Indian Allowances.	House Rent.	Total.

An Act to provide temporarily for the apprehension and trial of Native Officers and Soldiers for Mutiny and Desertion.

WHEREAS it is expedient to make temporary provision for the apprehension and trial of Mutineers and Deserters amenable to the Articles of War for the Native Troops of the East India Company; It is enacted as follows:—

I. It shall be lawful for every Sessions Judge, and for every person exercising the same powers as a Sessions Judge, and for any person or persons whom the Governor General of India in Council, or the Executive Government of any Presidency or place, or the Chief Commissioners of the Punjab and Oude respectively, or the Commissioner of Nagpore, may, from time to time, invest with such power, to try for Mutiny or Desertion, wheresoever the offence may have been committed, any person subject to the Articles of War for the Native Troops of the East India Company, who, in the judgment of such Officer or other person, ought to be tried and punished without delay; and such Officer or other person may, on conviction of the offender, sentence him to such of the following punishments as might by the said Arti-

cles of War be awarded against him by a General Court Martial—that is to say, if the offender be an Officer, to death or transportation for life; and, if a Soldier, to death, transportation for life, or imprisonment, with or without hard labor, for life or for any term of years. Such sentence shall be

final and conclusive; and if a sentence of death be passed, the same may be carried into execution immediately or at such time as such Officer or other person shall direct. The Sessions Judge or other

Officer by whom the sentence shall be passed may, if he think proper, report the case to the Governor General in Council or to the Executive Government of the Presidency, together with any remarks or recommendation which he may think fit to make thereon; and the Governor General in Council or the Executive Government of the Presidency may either pardon the offender or commute the sentence to any less punishment.

II. It shall be lawful for the Governor General in Council, or the Executive Government of any Presidency or place, or any of the said Commissioners, to authorize any person or persons to issue a Commission for the trial of

Mutiny and Desertion by any person or persons amenable to the said Articles of War; and every person authorized by such Commission shall have all the powers vested by this Act in a Sessions Judge.

III. It shall be lawful for any Police Officer or other person to apprehend without warrant any person upon reasonable suspicion that he is a Mutineer or Deserter and amenable to the Articles of War for the Native Troops of the East India Company.

IV. Every person who shall be apprehended as a Mutineer or Deserter under the provisions of this Act shall be conveyed without delay before a Magistrate or an Officer exercising any of the powers of a Magistrate in or near to the place where such person shall have been so apprehended, and may in the meantime be detained in custody; and if the said Magistrate or other Officer shall be satisfied that such person is a Mutineer or Deserter and amenable to the Articles of War for the Native Troops, he shall cause him to be delivered, together with any depositions and papers relative to the case, to the Commanding Officer of some Military Station, in order that he may be dealt with according to law; or the Magistrate or other Officer may commit him for trial before any Officer or other person authorized by or under the provisions of this Act to try him for such offence, if the Magistrate or other Officer shall see good and sufficient reason for so doing; or if the Magistrate or other Officer shall be authorized under the provisions of this Act to try for Mutiny or Desertion, he may, if he think fit, proceed forthwith to try the offender.

V. The provisions of Sections V and VI of Act XI. 1856 extended to Native Officers and Soldiers. Act XI. 1856 are hereby extended to all Officers, Soldiers, and other persons amenable to the Articles of War for the Native Troops.

VI. All Zemindars, Talookdars, and other persons who, by Regulation VI. 1810 of the Bengal Code, are declared to be accountable for the early communication of intelligence respecting the resort to their estates of the classes of offenders therein specified, are hereby declared to be accountable for the early communication of intelligence of the resort to any place within the limits of their estates of any person against whom there shall be reasonable suspicion of his having been guilty of Mutiny or Desertion; and all the provisions of the said Regulation shall have the same force and effect as if persons guilty of Mutiny and Desertion had been specially included in the classes of offenders specified in that Regulation. Provided that no proceeding shall be taken against any Zemindar, Talookdar, or other person by virtue of this Section for anything done or omitted to be done by him within fourteen days after the passing of this Act.

India of the meaning and intent of our Orders of the 21st June 1856, No. 75,* as expressed in the following Extract from His Excellency's Memo. of the 18th September 1856, is strictly correct, and must be acted upon accordingly, viz.:

"I will however shortly state my views upon the two points submitted.

"The first appears to me to be clear in so far as that the senior Major in the Regimental List, (and in that List alone,) if he have the rank of Brevet Lieutenant-Colonel and has exercised the Command of his Regiment for three years with that rank, is entitled to the rank of full Colonel.

"On the second point, that on the promotion of his seniors, as such meaning those on the Regimental List of Majors, to the full rank of Colonel, the Major next in succession to such full Colonels, notwithstanding they may be still only Regimental Majors, if he have the rank of Brevet Lieutenant-Colonel, will, after three years' service in Command with that rank, be also entitled to promotion to the rank of Colonel."
